

23 Sep 2015 (Circular 11/2015)

Dear Parents / Students

Our secondary and A level examinations are over but we still have a few weeks to go for the primary examinations .

No Lessons For Secondary 1, 2 and 3 on Sat 3 Oct 2016

Do note that there will be no lessons for Secondary 1 to 3 students on Sat 3 Oct 2015 as teachers will be deployed to the lower primary examination.

Examinations and Paper Viewing on Sat 26 Sep and Sat 3 Oct 2015

Students from Primary 3 to Primary 5 will be having their written examinations and Secondary 1 to Secondary 3 will be having Paper viewing this Saturday 26 Oct 2015.

Primary 1 and Primary 2 will be having written examinations on Sat 3 Oct 2015 while Primary 3 to Primary 5 will be having paper viewing on the same day.

We request all parents to ensure that students go to their appropriate examination centres by the times specified.

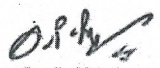

We have been informed by BTTSAL to advice parents not to enter the Centralised Exam Centres (CEC) as there are young children taking the Exams from Weekend Centres and parallel schools and the teachers have a heavy responsibility of ensuring that the Examinations are conducted fairly, and at the same time look into the safety of the children.

Maths Olympiad Clash With Primary 5 Examinations

DAV has informed BTTSAL that some of our students are affected due to the Maths Olympiad taking place simultaneously as the Primary 5 examinations. We have collated the names from parents who had informed us regarding this and submitted it to BTTSAL. DAV will inform all parents on the development as soon as BTTSAL reverts back to us.

Krishna Janmashtami Celebrations

The Krishna Janmshtami celebrations on Sun 6 Sep 2015 at our school hall was a tremendous success. Our students several performances were very well received..
