Net Relationship Value (NRV) is an aggregate of the average value of certain relationships you hold with us, calculated on a monthly basis. It not only considers the savings balance in your account but also includes your fixed deposits (FD's), investments & insurance policies taken through Citibank.

Below is a working example of how the NRV is calculated:

Holdings	INR	Description
a) Current/Savings Account	10,00,000	Average for the month, calculated based on total of daily end of day balance/total number of days.
b) Fixed Deposit	30,00,000	Daily end of day balances of principal amount/total number of days.
c) Mutual Funds	35,00,000	Daily end of day balances/total number of days.
d) Insurance Premium	50,000	Sum of total Insurance paid.
Average Monthly Relationship Value	75,50,000	a+b+c+d

**Towards active individual life insurance policies with the account holder as proposer.

W.e.f. 1st April 2015, you will get an additional one month to build up your Net Relationship Value (NRV) in case it falls below the required threshold. Further, we have revised the NRV non-maintenance charges to only 1% of the NRV shortfall or Rs. 400, whichever is lower, applicable only if you are not able to maintain the NRV by the end of the next month. The shortfall will be calculated on the higher NRV maintained across the two consecutive months.

For Example: Account with monthly NRV threshold = Rs. 40,000;

Your monthly NRV is Rs. 10,000 and hence, shortfall = Rs. 30,000 -> Charge levied on your account @ 1% of Rs. 30,000 or Rs. 400, whichever is lower; therefore, charge = Rs. 300.

Please note that the above example is for illustration purpose only.

To know more on how to build up your NRV and to help you understand the above changes better, please visit www.citi.co.in/nrvfaq.htm.

Please call Citiphone, round-the-clock, for any further assistance or clarification regarding this statement of account.

We will understand that you find this statement of your account to be correct, unless within 14 days from its date the branch receives from you notice of any exception in writing.

EVEN THE
SMALLEST TASK
REQUIRES CAUTION.

Be safe with Citi.

Having the correct information can save you from many frauds like phishing. Phishing is an online fraudulent practice of getting one's confidential information by claiming to be from reputable companies (including RBI, Income Tax Department).

SAY NO TO PHISHING

Click wisely

Never click on hyperlinks within emails, instead verify the URL independently.

Do not respond

Never reply to emails/SMS that seek personal information or offers of money from abroad, online lottery/promotion.

Check before you login

Do not use a shared computer or public wifi or a device that cannot be trusted for online banking.

Share wisely

Don't click or forward links in an email, instant message, or chat from unknown senders or if you suspect the authenticity of the message.

HOW TO PROTECT YOURSELF FROM SUCH FRAUDS?

Safety indicators

Look for secure session indicators like <https://> and a padlock on websites that require personal information.

Visit our website

Always type <https://www.citibank.co.in> or www.citibank.com/india to visit our site. Don't enter your IPIN on any other site.

Raise your voice

Immediately lodge a complaint with local police/cyber-crime authorities if you are being harassed by emails offering you huge sum of money.

Stay updated

Use updated anti-virus software and firewall software.
