Excellence On The Job

Ashok, thank you for your excellent support during the Rainbow Hungary cutover which totalled 18 hours over the weekend.
Your dedication is very much appreciated and admired.

Extraordinary Effort

Ashok, it has been brought to my attention the above normal level of support and commitment you provided at the weekend in processing SAN work requests. Thank you for this and the difference you made.

Exceptional Customer Service

I'd like to extend the thanks of GTS and tech teams for covering the Multifonds SFS work this weekend and add my own for your tireless commitment to serving this organisation's varied and often demanding SAN related needs. On Behalf of Phil Whaley
