Passengers travelling on **TR-designated** flights are allowed two (2) pieces of carry-on luggage provided that each item does not exceed the dimensions of 54cm X 38cm X 23cm, with a maximum total combined weight of 10kg. This includes, but is not limited to, laptop bags, backpacks and haversacks, and ladies' handbags. If you have purchased the airport transfer feature online as part of your tigerconnect flight, please proceed to Transfer Lounge E within the transit area in Singapore Changi Airport Terminal 2 to collect a boarding pass for your onward flight.

If you have a connecting flight but have not opted for the airport transfer feature, you will have to clear immigration in Singapore, collect your luggage and then check-in for your onward flight. Please ensure that you have the relevant travel documents to enter Singapore.

Please contact the operating carrier for additional optional add-ons and ancillary products. If you have purchased any optional add-ons or additional checked baggage allowance on our partner airline's flight, you will receive a separate itinerary from our partner airline. This will be your only reference for optional add-ons purchased on the partner airline. Please ensure that you have all relevant itineraries upon check-in at the respective airlines' airport counters.

If you have purchased a car rental through tigerair, you will receive a separate e-voucher from our partners at Car Trawler. It is essential that you produce a printed copy of this e-voucher when picking up your car in order to enjoy the special rate negotiated for you. Failure to do so may result in the car rental agency charging you at local rates instead.

Changes to **TR-designated** flights are accepted up to **four (4) hours** prior to scheduled departure time. Flight and date changes to bookings containing **TZ-designated** flights are accepted up to **forty-eight (48) hours** prior to scheduled departure time, only via the Tigerair Call Centre.
