

EMC VPLEX
Last update 03/13/2013

Known issues:

- You may observe in logs, a line like:

WARNING -- [2013-03-13 17:01:32 EDT] -- RemoteCLIConnection::isSameVersion(): File vplex.py doesn't have the same MD5 on X.X.X.X
--

This behavior is normal, and thus can safely be ignored.
